

5 YEAR WARRANTY

Renovate that bathroom and kitchen, warrant the completed work against loss of adhesion due to workmanship for the periods of time indicated against each item on the invoice authorising the work to be completed. In the events of a claim, I will determine the extent of the repair required and advise you of timing in relation to my planned work program. This is a limited warranty and is subject to the following conditions and exclusions:

Conditions

1. The surface must not be used or exposed to water until after the cure period indicated.
2. You must when possible provide immediate notification of accidental damage or any other defect, and in any event not more than 28 days after the first occurrence.
3. The warranty is customer specific and is not transferable.

Exclusions

1. Physical damage such as chips and scratches caused by falling objects, tools, toys, shower screen installation or adjustment, or other mistreatment, whether or not accidental.
2. Staining caused by chemicals, dyes, skin oils or hair treatments and dripping taps.
3. Discoloration due to heat exceeding 140 degrees Celsius or any direct flame.
4. Bubbling due to airless immersion caused by standing water, or water trapped continuously under jars and bottles, bath mats, face cloths, wet towels, soap slurry, etc.
5. Rust emerging from concealed, inaccessible positions beneath the drain waste or other fixtures.
6. Mildew and general yellowing of caulk, damages from rising damp in leaky shower base, cracking caused by structural movement.
7. Loss of adhesion caused by any of the above.

Care Instructions

1. Dry the new surface as often as possible after use to prevent standing water.
2. Use only liquid soaps or detergents in warm water for normal cleaning and always rinse well before drying.
3. Abrasive cleaners in powder or cream form must not be used.
4. Abrasive cloths such as scourers must not be used.
